

2010 PASTORAL PLAN

for the
CURSILLO MOVEMENT
in the
DIOCESE OF NORTH CAROLINA

PREAMBLE

The North Carolina Episcopal Cursillo Movement exists to change the world for Christ. Where we keep this uppermost in our minds, we are effective in meeting our goal. The plan is to accomplish the transformation of individuals and their environments through Christian Leaders dedicated to the apostolic ideal.

We are aware of the need to return to our roots, as laid out in the Literature of the Movement, as we rebuild and expand the leadership of the Cursillo Community.

We operate under the authority of the Bishop of North Carolina. We join in the Bishop vision, dream and prayer that all are welcome, and this Plan sets forth how we hope to work to implement our common vision for the Cursillo Movement over the next year. The Pastoral Plan is the Bishop's strategic outline for the mission of the diocese and how and where Cursillo fits into that plan.

The Three-Day Weekend exists to prepare Christian Leaders for the Fourth Day. Central to the Fourth Day are Piety, Study and Action.

PASTORAL PLAN

Piety

- \$ Pray regularly for our Bishops Michael, Chip and William, the clergy and people in our parishes and for the presence of Christ and the movement of the spirit of God in the Diocese.
- \$ Pray for leadership of Cursillo.
- \$ Pray that we may be Christ's Servants in all that we do.
- \$ Encourage all Cursillistas to actively and regularly practice the 4th Day through involvement in Group Reunion, Ultreya and parish ministry
- \$ Encourage the practice of parish ministry, Group Reunion and Ultreya among those who are planning to attend a Three-Day Weekend.
